Kathy is currently on the **New Fairfield Board of Education**.

Originally from NJ, Kathy is a 19-year resident of New Fairfield. She lives in town with her husband Peter and her two sons who attend the New Fairfield Schools. Kathy and her husband chose New Fairfield back in 2000, due to the good schools, the small town feel and the sense of community that makes NF special. Kathy would like to continue her service on the Board of Education as she feels that great strides have been made with the Board of Education, First Selectmen and the Finance of Board and that the town is on the right track again. She would like to continue to foster these relationships within the community in order to continue to improve our educational achievements and to ensure that ALL students in town are provided the best education for their needs.

- Help improve collaboration between the public and the elected officials in order to understand how decisions are made and how one person can get involved and make a difference.
- Help ensure that our boards are setting both long term and short-term strategic goals, in order to ensure that our town will flourish. planning for long term growth and solutions and not just solving for today.
- Hold the administration accountable to their goals and objectives.

"I want to continue the work that we have been doing in the community. We have made great strides and I would like to see it through."
